**PROCEEDINGS OF THE SPECIAL ELECTION**

**JULY 16, 1991**

PROCEEDINGS OF THE SPECIAL TOWN ELECTION

TOWN OF PLAINVILLE  
JULY 16, 1991

Pursuant to the foregoing warrant for the special town election that was held in the Beatrice Wood Elementary School, South Street, Plainville, Norfolk County, Massachusetts at 10:00 in the forenoon. The election was called to order by Warden, Barbara Fink. The following election officials were approved by the Board of Selectmen and were sworn into their official duties by Town Clerk, Kathleen M. Sandland.

PRECINCT ONE

Warden:	Barbara Fink
Temporary Clerk:	Doris Ross
Inspectors:	William Noble
	Naomi Beckman
	Frances Ouellette
	Vera Watson
	Joan Theriault
	Nancy Cossette

PRECINCT TWO

Warden:	Barbara Fink
Clerk:	Evelyn Soule
Inspectors:	Jean Mathews
	Winifred Masino
	Rosemary Coates
	Ruth Fulton
	Barbara Parmenter
	Lawrence Carpenter

Other assistance from Town Clerk's office:  
Asst. Town Clerk: Helen Theriault  
Computer Operator: Beverly Brookbush

The ballot boxes were inspected by both precincts and were found to be empty. The count on precinct one ballot box was 411. The count on precinct two ballot box was 573. The counts on the ballot boxes reflected total voters for the April 1, 1991 annual town election. Counters were turned back to zero and voting proceeded.

The result of the Special Election July 16, 1991 was:

QUESTION 1:

Shall the Town of Plainville be allowed to assess an additional \$151,718.00 in real estate and personal property taxes for the purposes of funding the operational budget of King Philip Regional School District for the fiscal year beginning July first, nineteen hundred and ninety-one?

	PRECINCT ONE	PRECINCT TWO	TOTAL
YES	75	68	143
NO	209	280	489
BLANKS	1	0	1
TOTAL	285	348	633

Voting was completed at 8:00 P.M. and results of election was completed at 8:50 P.M.

Respectfully,

Kathleen M. Sandland  
Town Clerk

KATHLEEN M. SANDLAND, TOWN CLERK

TOWN OF PLAINVILLE  
ANNUAL TOWN MEETING  
APRIL 6, 1992

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss

To Either of the Constables of Plainville:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in town affairs, to meet in the Beatrice H. Wood Elementary School Auditorium, South Street, in said Plainville, on

MONDAY, APRIL 6, 1992

at eight o'clock in the forenoon, then and there to act on the following articles, viz:

**ARTICLE 1:** The following officers to be chosen by ballot, viz: for a three year term: one Selectmen, one Assessor, one Treasurer, one Tax Collector, one Board of Health, one Water Commissioner, one Sewer Commissioner, one Park Commissioner, two Local School Committee Members, one Library Trustee, one Constable, and two Finance Committee members; for a two year term: one Moderator; for a one year term: one Park Commissioner, one Tree Warden, for a five year term: one Planning Board Member, one Housing Authority member.

For this purpose the polls will open at eight o'clock in the forenoon and shall be closed at eight o'clock in the evening.  
(See results of Annual Town Election)

For consideration of all other articles in this Warrant, the meeting shall stand adjourned to the last Monday in April at 7:30 P.M. in the Auditorium of the Beatrice H. Wood Elementary School on South Street in said Town.

**ARTICLE 2:** To choose all other necessary Town Officers not named in Article 1 for a term of one year.

DATE OF ACTION:

May 26, 1992

APRIL 6, 1992

**ARTICLE 6:** To see if the Town will vote to authorize the Board of Selectmen to accept and enter into a contract for the expenditure of any funds allotted or to be allotted by the Commonwealth and/or County for the construction, reconstruction and improvements of Town roads, or do or act in any manner relative thereto.

DATE OF ACTION:	May 26, 1992
MEETING ACTION:	Accept as printed
RESULT OF VOTE:	Motion carried

**ARTICLE 7:** To see if the Town will vote to accept the provisions of General Laws Chapter 40, Section 57 which provide for the denial, revocation or suspension of local licenses and permits for failure to pay municipal taxes or charges.

DATE OF ACTION:	May 26, 1992
MEETING ACTION:	Accept as printed
RESULT OF VOTE:	Motion carried

**ARTICLE 8:** To see if the Town will vote to amend the Town of Plainville By-Laws by inserting the following as Section XXV thereof:

**SECTION XXV - LICENSES AND PERMITS OF DELINQUENT TAX PAYERS**

**25.1** The Tax Collector or other municipal official responsible for records of all municipal taxes, assessments, betterments and other municipal charges, hereinafter referred to as the tax collector, shall annually furnish to each department, board, commission or division, hereinafter referred to as the licensing authority, that issues licenses or permits including renewals and transfers, a list of any person, corporation, or business enterprise, hereinafter referred to as the party, that has neglected or refused to pay any local taxes, fees, assessments, betterments or other municipal charges for not less than a twelve month period, and that such party has not filed in good faith a pending application for an abatement of such tax or pending petition before the appellate tax board.

TOWN OF PLAINVILLE  
ANNUAL TOWN MEETING  
APRIL 6, 1992

**25.2** The licensing authority may deny, revoke or suspend any license or permit, including renewals and transfers of any party whose name appears on said list furnished to the licensing authority from the tax collector; provided, however, that written notice is given to the party and the tax collector, as required by applicable provisions of law, and the party is given a hearing, to be held not earlier than fourteen days after said notice. Said list shall be prima facie evidence for denial, revocation or suspension of said license or permit to any party. The tax collector shall have the right to intervene in any hearing conducted with respect to such license denial, revocation or suspension. Any findings made by the licensing authority with respect to such license denial, revocation or suspension shall be made only for the purpose of such proceeding and shall not be relevant to or introduced in any other proceeding at law, except for any appeal from such license denial, revocation or suspension. Any license or permit denied, suspended or revoked under this section shall not be reissued or renewed until the license authority receives a certificate issued by the tax collector that the party is in good standing with respect to any and all local taxes, fees, assessments, betterments or other municipal charges, payable to the municipality as the date of issuance of said certificate.

**25.3** Any party shall be given an opportunity to enter into a payment agreement, thereby, allowing the licensing authority to issue a certificate indicating said limitations to the license or permit and the validity of said license shall be conditioned upon the satisfactory compliance with said agreement. Failure to comply with said agreement shall be grounds for the suspension or revocation of said license or permit; provided, however, that the holder be given notice and a hearing as required by applicable provisions of law.

**25.4** The Board of Selectmen may waive such denial, suspension or revocation if it finds there is no direct or indirect business interest by the property owner, its officers or stockholders, if any, or members of his immediate family, as defined in section one of chapter two hundred and sixty-eight, in the business or activity conducted in or on said property.

TOWN OF PLAINVILLE  
ANNUAL TOWN MEETING  
APRIL 6, 1992

25.5 This section shall not apply to licenses and permits for open burning; bicycle permits; sales of articles for charitable purposes; licenses to allow clubs or associations to dispense food or beverages; dog licenses; fishing, hunting trapping licenses; marriage licenses; permits for theatrical events of public exhibitions; or children work permits.

DATE OF ACTION:	May 26, 1992
MEETING ACTION:	Accept as printed
RESULT OF VOTE:	75 - 0 Unanimous Vote

**ARTICLE 9:** To see if the Town will vote to accept as Public Ways within the Town of Plainville, the following street, with improvements thereon, Cowellside Drive bounded and described as follows: Beginning at a stone bound at the southeasterly corner of the parcel herein described; thence running S 69-19-40 W to a stone bound along the northerly sideline of Cowellside Street, 102.77'; Thence along a curved line having a radius of 60.00' to a stone bound, 301.52'; Thence by a curve line having a radius of 25.00' to a stone bound, 23.55'; Thence running S 34-00-00 E to a stone bound, 532.18'; Thence by a curve line having a radius of 25.00' to the point of beginning, 33.45'. Being the same premises shown as "Cowellside Drive" on "Cowellside Drive" Definitive Subdivision Plan of Land, by John R. Anderson & Associates, Oct. 7, 1985 and last revised April 28, 1986. Said plan is filed in the Norfolk Registry of Deeds as plan #1634 of 1986 in Plan Book 345.

DATE OF ACTION:	June 2, 1992
MEETING ACTION:	Accept as printed
RESULT OF VOTE:	Unanimous

TOWN OF PLAINVILLE  
ANNUAL TOWN MEETING  
APRIL 6, 1992

**ARTICLE 10:** To see if the Town will vote to accept as a Public Way within the Town of Plainville, the following street, with improvements thereon, Meadow Brook Road, bounded and described as follows: Beginning at a point of curvature on the southerly sideline of Messenger Street, said beginning point being 1027.33" easterly of a concrete bound on the southerly sideline of Messenger Street, said bound marking the beginning of a curve to the left of radius 3800.00' thence running along the southerly sideline of Messenger Street along a curve to the left of radius 3800.00' and length 99.35' to a point; thence turning and running along curve to the left of radius 25.00' and length 44.11' to a point; thence turning and running along a curve to the right of radius 800.00' and length 104.16 to a point, the previous course being along the northerly sideline of Landau Road; thence turning and running along a curve to the left of radius 25.00' and length 37.68' to a point; thence running along a curve to the left of radius 25.00' and length 39.04' to the point of beginning.

The above described parcel having an area of 33,712 square feet, more or less, and being shown as Road "E" on a plan entitled "Definitive Plan, Phase 2, Messenger Glen, Plainville, Mass." Registry District Norfolk County, dated January 23, 1988, revised August 2, 1990, by Bradford Saivetz & Associates, Inc., Braintree, Mass.. Said plan being recorded in the Norfolk County Registry of Deeds in plan book 395 as plan #739 of 1990.

DATE OF ACTION:	June 2, 1992
MEETING ACTION:	Accept as printed
RESULT OF VOTE:	Unanimous

**ARTICLE 11:** To see if the Town will vote to accept as Public Ways within the Town of Plainville, the following street, with improvements thereon, Legion Drive.

DATE OF ACTION:	June 2, 1992

**ADJOURNED SESSION – MAY 26, 1992**

TOWN OF PLAINVILLE  
SPECIAL TOWN MEETING  
APRIL 27, 1992

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss

To Either of the Constables of Plainville:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in town affairs, to meet in the Beatrice H. Wood School Auditorium, South Street, in said Plainville, on

APRIL 27, 1992

at eight o'clock in the evening, then and there to act on the following articles, viz:

**ARTICLE 1:** To see if the Town will amend the Snow Removal budget to read:

Salaries.....\$20,000.00

Expenses.....\$32,000.00

or do or act in any manner relative thereto.

Note: This does not increase the budget that was voted at Town Meeting, it will allow the Highway Superintendent to pay Salaries from the Account, and not subtract from the regular Highway Salary Account.

Date of Action:	4/27/92
-----------------	---------

Meeting Action:	As printed
-----------------	------------

Result of Vote:	Motion carried
-----------------	----------------

**ARTICLE 2:** To see if the Town will vote to transfer \$2,000.00 to the Expense Account of the Council on Aging to cover the cost of a replacement driver, or do or act in any matter relative thereto.

Date of Action:	5/26/92
-----------------	---------

Meeting Action:	Transfer \$2,000 from Medicare account to Council on Aging expense account.
-----------------	---

Result of Vote:	Motion carried
-----------------	----------------

TOWN OF PLAINVILLE  
SPECIAL TOWN MEETING  
APRIL 27, 1992

**ARTICLE 3:** To see if the Town will vote to transfer from available funds the sum of \$2,500.00 to rent a screening plant for the Highway Department, or do or act in any manner relative thereto.

Date of Action:	5/26/92
-----------------	---------

Meeting Action:	Transfer \$2,500 from FY 92 snow removal account.
-----------------	---

Result of Vote:	Motion carried 48 in favor 10 opposed (vote questioned)
-----------------	---

**ARTICLE 4:** To see if the Town will vote to transfer the sum of \$3,000.00, from the 106 and 152 traffic light account for the repair of a traffic light standard at the intersection of routes 106 and 1A. Such monies to be expended under the direction of the Highway superintendent, or do or act in any manner relative thereto.

Date of Action:	4/27/92
-----------------	---------

Meeting Action:	As printed
-----------------	------------

Result of Vote:	Motion carried
-----------------	----------------

**ARTICLE 5:** To see if the Town will vote to raise and appropriate or to transfer from available funds the sum of \$15,000.00 to fund Tax Title costs of the Town Treasurer. This sum to be expended under the direction of the Town Treasurer, or do or act in any manner relative thereto.

Date of Action:	4/27/92
-----------------	---------

TOWN OF PLAINVILLE  
SPECIAL TOWN MEETING  
APRIL 27, 1992

**ARTICLE 6:** To see if the Town will vote to transfer from available funds the sum of \$5,000.00 for Fire Department Salaries, or do or act in any manner relative thereto.

Date of Action:	4/27/92
-----------------	---------

Meeting Action:	No motion
-----------------	-----------

Result of Vote:	Lost lack of motion
-----------------	---------------------

**ARTICLE 7:** To see if the Town will vote to transfer from available funds the sum of \$5,000.00 for Fire Department Expenses, or do or act in any manner relative thereto.

Date of Action:	4/27/92
-----------------	---------

Meeting Action:	No motion
-----------------	-----------

Result of Vote:	Lost lack of motion
-----------------	---------------------

**ARTICLE 8:** To see if the Town will vote to amend the existing Sewer Use By-Laws by deleting the existing wording in Part 5 Section 18 and substituting in its place the following:

Pretreatment of industrial wastewaters. Users shall provide necessary wastewater treatment as required to comply with these regulations and shall achieve compliance with all Federal Categorical Pretreatment Standards within the time limitations as specified by the Federal Pretreatment Regulations. Any facilities required to pretreat wastewater to a level acceptable to the Town shall be provided, operated, and maintained at the User's expense. Any user with a pretreatment facility discharging into a POTW may be required by the Superintendent or other duly authorized employees (due to complexity of treatment process or toxicity of waste) to have a certified Wasterwater Treatment Plant Operator in accordance with Chapter 781 of the Acts of the 1970 (Chapter 112 of the Massachusetts General Laws, Section 87BBB).

Detailed plans showing the pretreatment facilities and operating procedures shall be submitted to the Town for review, and shall be acceptable to the Town before construction of the facility. The review of such plans and operating procedures will in no way relieve the User from the responsibility of modifying the facility as necessary to produce an effluent acceptable to the Town under the provisions of these regulations. Any subsequent changes in the pretreatment facilities or method of operation

TOWN OF PLAINVILLE  
SPECIAL TOWN MEETING  
APRIL 27, 1992

shall be reported to and be acceptable to the Town prior to the User's initiation of the changes.

The Superintendent shall submit an annual report which will summarize the data contained in all permits and monitoring reports by both industrial users and the Town and the operating experience of the POTW.

Industrial users shall comply with the following maximum allowable concentrations for the constituents listed below unless the industry is required to comply with National Categorical Pretreatment Standards, in which case, the more stringent of the two will apply.

<u>MAXIMUM DAILY ALLOWABLE INDUSTRIAL DISCHARGE CONCENTRATIONS</u> <u>CONSTITUENT</u>	<u>CONCENTRATION LIMIT, mg/l (1)</u>
--	--------------------------------------

BOD5	500 (2)
TSS	500 (2)
Oil & Grease, Total	100
O&G, Petroleum Base	15
Ammonia Nitrogen, NH3	12
Phosphorous, P	9
Sulfate	250
Aluminum, Al	2.5

Mercury, Hg	0.0004
Nickel, Ni	1.0
Silver, Ag	0.15
Zinc, Zn	2.5

TOWN OF PLAINVILLE  
SPECIAL TOWN MEETING  
APRIL 27, 1992

Total Toxic Organics, TTO

2.13 (3)

pH

5.5 - 9.5

(1) Values are daily average based on composite samples except as otherwise prohibited by accepted laboratory sampling procedures.

(2) A surcharge will be applied to industrial pretreatment wastewater discharges with concentrations between 200 mg/l and 500 mg/l.

(3) Phenol is included as a component in the determination of TTO.

Upon the effective date of the Federal Categorical Pretreatment Standards for a particular industrial sub-category, the Federal Standard, if more stringent than limitations imposed under these regulations for sources in that sub-category, shall immediately supersede the limitations imposed under these regulations. The Superintendent shall notify all affected Users of the applicable reporting requirements under 40 CFR, Section 403.12.

Where the POTW treatment plant achieves consistent removal of pollutants limited by Federal Pretreatment Standards, the Town may apply to the Approval Authority for modification of specific limits in the Federal Pretreatment Standards. "Consistent Removal" shall mean reduction in the amount of a pollutant or alternation of the nature of the pollutant by the wastewater treatment system to a less toxic or harmless state in the effluent which is achieved by the System 95 percent of the samples taken when measured according to the procedures set forth in Section 403.7 (c) (2) of (Title 40 of the Code of Federal Regulations, Part 403) - "General Pretreatment Regulations for Existing and New Sources of Pollution" promulgated pursuant to the Act. The Town may then modify pollutant discharge limits in the Federal Pretreatment Standards if the requirements contained in 40 CFR, Part 403, Section 403.7, are fulfilled and prior approval from the Approval authority is obtained.

State requirements and limitations on discharges shall apply in any case where they are more stringent than Federal requirements and limitations or those in these regulations.

The Board of Sewer Commissioners reserves the right to add, delete or amend requirements and limitations on discharges into the wastewater disposal system in accordance with Part XII Section 1. of the Sewer Use By-Laws and Massachusetts General

TOWN OF PLAINVILLE  
SPECIAL TOWN MEETING  
APRIL 27, 1992

Laws Chapter 83 Section 10, as amended, or do or act in any matter relative thereto.

TOWN OF PLAINVILLE  
SPECIAL TOWN MEETING  
JUNE 15, 1992

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss

To Either of the Constables of Plainville:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in town affairs, to meet in the Beatrice H. Wood School Auditorium, South Street, in said Plainville, on

JUNE 15, 1992

at eight thirty o'clock in the evening, then and there to act on the following articles, viz:

**ARTICLE 1:** To see if the Town will amend the Plainville Town By-Law's Chapter 1 Section II Government of Town Meetings as follows:

**2.13:** The business portion of the annual town meeting shall begin on the last Monday in April of each year and will be continued on the next Tuesday. If town meeting is not completed, it will continue on the following consecutive Mondays and Tuesdays until the meeting is dissolved unless there is a Holiday. No meeting will begin prior to 7:30 P.M. or end before 10:30 P.M. unless dissolved or do or act in any manner relative thereto.

DATE OF ACTION:	6/15/92
MEETING ACTION:	No motion
RESULT OF VOTE:	Lost lack of motion

**ARTICLE 2:** To see if the Town will vote to transfer from available funds the sum of \$18,000.00 to the Fiscal Year 1992 Salary Account for the Police Department, or do or act in any manner relative thereto.

DATE OF ACTION:	6/15/92
MEETING ACTION:	Transfer \$7,000.00 from FY 92 Police Department expenses. Transfer \$9,805.00 from Selectmen's salaries.
RESULT OF VOTE:	Motion carried 2/3 vote: 75 in favor 1 opposed

TOWN OF PLAINVILLE  
SPECIAL TOWN MEETING  
JUNE 15, 1992

**ARTICLE 3:** To see if the Town will vote to amend the Plainville Town By-Laws Chapter 1., Section XVII, by adding the following:

**17.4**

All buildings and residences on or near the line of a public or private way within the Town of Plainville shall be numbered by the Board of Assessors. The owner of the building or residence shall purchase and affix the assigned number to the building, residence or appurtenances. The affixed number shall be no less than three inches in height so as to be visible from the street or way.

DATE OF ACTION:	6/15/92
MEETING ACTION:	As printed
RESULT OF VOTE:	Unanimous

**ARTICLE 4:** To see if the Town will vote to transfer from available funds the sum \$2,250.00 to the Planning Board Expense account for obtaining the legal description of Legion Drive, or do or act in any manner relative thereto.

DATE OF ACTION:	6/15/92
MEETING ACTION:	Transfer \$2,250.00 from FY 92 Selectmen's salaries.
RESULT OF VOTE:	Motion carried

**ARTICLE 5:** To see if the Town will vote to accept as Public Ways within the Town of Plainville, the following street, with improvements thereon, Cowellside Drive bounded and described as follows: Beginning at a stone bound at the southeasterly corner of the parcel herein described; thence running S 69-19-40 W to a stone bound along the northerly sideline of Cowellside Street, 102.77'; Thence along a curved line having a radius of 60.00' to a stone bound, 301.52'; Thence by a curve line having a radius of 25.00' to a stone bound, 23.55'; Thence running S 34-00-00 E to a stone bound, 532.18'; Thence by a curve line having a radius of 25.00' to the point of beginning, 33.45'. Being the same premises

**A N N U A L R E P O R T**  
**OF THE**  
**T R E A S U R E R**  
**FOR THE**  
***TOWN OF PLAINVILLE, MASSACHUSETTS***

**FOR THE YEAR ENDING JUNE 30**

**1 9 9 2**

To The Honorable Board of Selectmen:

During Fiscal Year 1992, the Treasurer's office received and accounted for \$10,799,321.37 in General Fund receipts, \$14,567.29 in Stabilization Fund receipts, \$15,934.14 in Conservation Fund receipts and \$2,460.25 in receipts for the various Performance Bonds held by the town. In addition we disbursed \$11,455,675.32 from the General Fund, \$60,000.00 from the Conservation Fund and \$79,267.77 from Performance Bonds.

We issued two types of short-term debt in FY1992, State Grant Anticipation Notes and Bond Anticipation Notes. Because the town continues to have balances due from the Commonwealth on grants for the Phase II Sewer Project and the Water Treatment Plant, we issued short-term notes in anticipation of these grants in November, 1991 and May, 1992. The November issue totalled \$381,113.00 and carried a rate of 4.2%. These notes were renewed for another six month period in May, 1992 at a rate of 3.57%. In May, 1992 we issued notes in anticipation of State Ch. 90 Highway Funds in the amount of \$42,000.00 at a rate of 3.66%. Also in May, 1992 we renewed a Bond Anticipation Note of \$135,000.00 at a rate of 3.75% for the Water Treatment Plant.

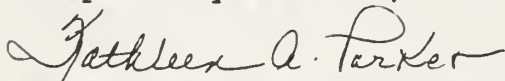

We retired \$320,000.00 in Long-term debt and issued a bond for the Phase II Sewer Project in the amount of \$122,000.00 at a rate of 3.75%. The total outstanding long-term debt at June 30, 1992 was \$3,837,000.00.

In February, 1992 the Interim Town Accountant fully implemented our financial package software which has impacted my office in a very positive way. The computer system now produces all vendor checks, freeing my staff from manually preparing those checks. In addition to this time savings, because the computer has the ability to combine all departmental requests into one batch, fewer checks are being printed saving postage costs, bank processing fees, and the cost of the checks themselves.

The Treasurer's office also gained computer capability with the purchase of a Toshiba lap-top PC. This has enabled us to computerize many bookkeeping functions and allows us to process our payroll checks via modem hook-up to A.D.P. in Waltham. Again this computerization has begun to streamline the functions of the office. I look forward to more fully implementing this PC into my daily routine in the future.

This report includes a breakdown of the Treasurer's appropriation for the year; a reconciliation of cash by bank, by receipts/disbursements and by fund at June 30, 1992; a categorization of total cash receipts for the year; and maturing debt schedules by project.

Respectfully submitted,

Kathleen A. Parker, Town Treasurer

## REPORT OF THE SCHOOL COMMITTEE

The results of the annual elections in April saw Mr. Neil Loew re-elected and Mr. Patrick Francomano of Maple Street replace Mrs. Patrice O'Neil on the Committee. Mrs. O'Neil decided not to run for re-election after serving for nine years on the Committee. At the reorganization meeting, Mrs. Margaret McGrath was elected Chairperson, Mr. Neil Loew was elected Vice Chairperson, Mr. Fred Paul was elected as Local Representative to the King Philip Regional School Committee and Mr. Neil Loew was elected Local Representative to MASC with Mr. Michael Lee as the Alternate Representative to MASC. Elected to the Sick Leave Bank Committee were Mr. Patrick Francomano and Mr. Michael Lee.

The Committee would like to acknowledge the retirement of School Committee member Mrs. Patrice O'Neil after three terms on the Committee. Other retirees to be recognized are:

Mrs. Edna Goodman-Gucwa	26 years	Teacher Aide
Mrs. Catherine Green	17 years	School Secretary
Dr. Richard Cashman	20 years	Administrator/Teacher

For their service and dedication to the children of Plainville, we wish them a long healthy and happy retirement.

In late October, after surviving a hurricane, the new four-room modular building attached to the rear of the Anna Ware Jackson School opened for business. The building houses the kindergarten classes, music and art programs, and the school's library. An Open House was held for public inspection in November.

After only three years as Coordinator of Special Education/School Psychologist, Mrs. Mary Sullivan Kelley resigned to accept the Administrator of Special Education position in the Town of Dedham, MA. After a lengthy search, the Committee appointed Mr. Thomas Fallon of Sharon, MA to replace Mrs. Kelley. Mr. Fallon had held this exact position prior to Ms. Kelley but left to join the Massachusetts Department of Education for two years and one year as Administrator of Special Education for the Lakeville/Freetown Regional School District.

Mr. Fallon's qualities and abilities are well known to the Plainville School Committee, parents, and faculty. We welcome him home to continue where he left off.

The Committee would like to commend Mrs. Barbara Kramer for the terrific job she did while serving as Administrator of Special Education during the interim period of Ms. Kelley's departure and Mr. Fallon's return to duty.

In the spring of last year the secretaries decided to unionize under the United Steelworkers of America and began contract negotiations with the Committee for an initial contract. This endeavor is currently on-going. The Committee and Plainville

Education Association opened negotiations in October for salary increases only. When the year ended no offer of an increase had been put on the table. As a result, the new year began without signed contracts with the faculty, secretaries, and custodians.

During the past year the Committee passed some major policy legislation that needed to be addressed. The policies and programs included the following:

- a) An HIV Infection/Aids Policy.
- b) A policy to allow the School Committee meetings to be video taped--The meetings will be shown on local cable access Wednesdays after the meetings.
- c) Increased the price of school lunches from .95 to \$1.00 to keep the School Lunch Program solvent and self-supporting.
- d) Adopted a 'Delayed Opening of School' policy--This allows the entire King Philip District to delay the opening of School by one hour in the event of inclement weather. All four school systems use the same transportation carrier.
- e) The School Committee rejected the School Choice Program. This means that students from outside Plainville that would like to attend Plainville Public Schools on a tuition basis as specified by the Commonwealth of Massachusetts will not be implemented.
- f) The Committee approved a new Integrated Pre-School Program to be housed at the Jackson School. The program would allow four at-risk students and four model students to integrate in a pre-school format. There is a cost factor to model students of \$8.00 per day. This program will allow the system to return some out-of-district placement to local control.
- g) A new 'Use of School Facilities' policy, rate schedule, and application was adopted. This was necessitated by the demand for use of the school facilities by numerous organizations, Town agencies, and Town government in general. The gymnasium area, in particular, was in such demand, the school itself could not be satisfied without bumping out others and causing hardship.

The School Committee awarded a new three-year school bus transportation contract to W. T. Holmes Transportation of Norfolk, MA. After the usual bidding procedure, W. T. Holmes was the low bidder at \$113,400 per year starting September 1992 and ending June 1995.

As Mr. Cinelli has stated in the past, this is the largest single contract in the entire school system outside of salary agreements with our personnel.

The Committee renewed its contract with the King Philip Regional School District for use of the land next to the Anna Ware Jackson School for physical education classes. This was necessitated by the loss of land for the Modular Classroom building. The Modular Building sits on the land previously used for physical education classes.

Major problems confronting the Committee are:

- a) Extremely limited financial resources--School budget passed Town meeting with a 3.6% reduction below level funding. Due to a lack of funds, negotiations with all personnel is at a stand still. Curriculum development and professional development is practically non-existent. Class sizes continue to grow as enrollments steadily increase.
- b) Town health insurance is currently in limbo. We are being covered by the West Suburban Health Group plus HMO's. The future is in the hands of a health group headed by Mr. Gene Alsworth, Chairman of the Board of Selectmen.

The Committee would like to thank the residents of Plainville for their moral and financial support of their elementary school system and extends its appreciation to the Administration, Staff, and Parent Volunteers for another outstanding year. I would like to take this opportunity to thank my fellow Committee members for their dedication and hard work.

Respectfully submitted,

Margaret McGrath  
Chairperson  
Plainville School Committee

## **REPORT OF THE SUPERINTENDENT OF SCHOOLS**

The 1991/92 school year was highlighted by the opening of the new modular classroom building attached to the rear of the Anna Ware Jackson School. Delayed by a hurricane, the four-classroom building opened for official business in late October. The classrooms are occupied by the Kindergarten, Library, Art and Music.

The new edifice was opened to the public for inspection in February. The Committee and myself wish to express our appreciation to Mr. Ronald Fredrickson and his boy scout troop for moving all materials and furniture into the new building from their location in the existing school. Also, deserving recognition is the Tri-County Vocational High School Culinary Arts Program for supplying refreshments for the Open House.

The New Year brought some personnel changes to the professional staff. The resignation of Mary Sullivan Kelley, Coordinator of Special Education/School Psychologist, came as a surprise to all. Mary accepted the position of Administrator of Special Education in the Dedham, MA Public Schools. As a result, the Plainville School system, after an extensive search, hired Mr. Thomas Fallon of Sharon, MA to fill the position. Mr. Fallon had previously held the same position in Plainville three years earlier. Thomas left Plainville to work for the Massachusetts State Department of Education.

The resignation of Dr. Richard Cashman after twenty years of service as an administrator and teacher allowed the Committee to replace him with Mrs. Deborah Dempsey of North Attleboro.

Retired during the 1991/92 school year were three long-time employees of Plainville Public Schools. In December 1991 Mrs. Edna Goodman-Gucwa retired after 26 years, and in June 1992 Mrs. Betty Renner retired after 25 years. Mrs. Goodman-Gucwa and Mrs. Renner spent most of their years in the Chapter I program. Retired in June 1992 after 17 years was Wood School Secretary, Mrs. Catherine Green.

Thanks to Federal Grants, the Committee was able to hire two half-time special needs teachers to work in the new integrated special needs program. Mrs. Nancy Buckley of North Attleboro services the Anna Ware Jackson School and Mrs. Sandra Crear of Attleboro services the Beatrice Wood School.

Curriculum development has been slowed tremendously due to a lack of funds. However, thanks to Mrs. Betty George, a Grade three teacher, and a cooperative staff, the school system has retained the Book-It "Reading Incentive Program." This program started as a Horace Mann Grant under the Education Reform Act of 1985. The Plainville School System hosted Mr. Jim Trelease, a renowned speaker and lecturer to parents, on reading aloud last spring.

In the area of technology education, the PTO has voted to start a savings fund to update our Wood School Computer lab. Currently, we are using Apple IIc computers, which are no longer manufactured and have very limited memory. It is hoped that this project will be completed within two years.

A Health Committee has been established and is diligently working on a human development program and a curriculum to deal with AIDS education. The Committee is composed of the School Nurse, Teachers, Parents, and a School Committee member.

Grade six students continue to receive services from the King Philip High School Peer Leadership Program. This program allows Grade six students to freely discuss issues dealing with substance abuse, alcohol, sex, smoking, and peer pressure.

Under the leadership of the School Nurse, Kathleen Ouimet, the School Adjustment Counsellor, Barbara Kramer, and the New Hope Organization, we have started the "Child Assault Protection Program." The program, called C.A.P.P., was presented to Grade 2 and 6 this past year and will be given to Grades K-1-2 and 6 next year.

Mr. Thomas Fallon and Mrs. Rosalie Semple established an Integration Task Force Committee. This Committee meets monthly and discusses issues dealing with the delivery of special needs services in the regular classroom setting. This Committee allows for cooperative efforts by regular and special needs teachers to avoid confrontation while being in the same room and delineates professional responsibilities.

A major program change took place in the kindergarten area. Starting in September 1992, Kindergarten Screening will take place on the first three days of school in September. It will no longer be held in the spring.

1991/92 was the last year that Plainville paid tuition bills for students to attend Tri-County Vocational High School. Plainville has been voted in as a full member of the Tri-County Vocational School District. As a result, the community should save money and expand opportunities for our students. King Philip offered eight programs and Tri-County offers nearly 20 trade and technology programs in a modern, state-of-the-art facility. The assessment method of payment, based on October 1st enrollments, should minimize costs to the town.

Last fall, it became necessary to increase lunch prices by 5¢. The cafeteria is self-supporting and needed the increase to remain solvent. At \$1.00 per student lunch, we are the lowest in the area. With Federal and State subsidies decreasing and commodities slowly disappearing, Mrs. Romsey continues to do an exceptional job with our lunch program.

For financial reasons the Plainville Public Schools will continue to belong to the Project Spoke and BICO Special Needs Collaboratives. We will continue to belong to the Project Spoke bidding collaborative as well. The savings to the Town are astronomical, and the Spoke bids can be used by the municipal side of government for their supplies, if desired.

I would be remiss if I did not extend my appreciation to the Plainville PTO. This organization has become an integral part of your elementary school system. My heartfelt thanks is extended to this magnificent supportive group of parents.

In closing, I would like to thank the Plainville School Committee, all school personnel, parents, and guardians, and taxpayers for their support of the public schools during the past year.

Respectfully submitted,

Francis J. Cinelli  
Superintendent of Schools

### **SCHOOL OFFICIALS**

MRS. MARGARET McGRATH Telephone: 695-5851	Term expires 1993
MR. MICHAEL LEE Telephone: 695-4690	Term expires 1994
MR. FRED PAUL Telephone: 695-2493	Term expires 1994
MR. PATRICK FRANCOMANO Telephone: 695-9198	Term expires 1995
MR. NEIL LOEW Telephone: 695-1858	Term expires 1995

Meeting of the School Committee is held in the  
**Jackson Elementary School**  
on the fourth Monday of each month

Superintendent of Schools, Plainville

### **SCHOOL CALENDAR -- 1991/92**

First term opens September 4, 1991  
First term closes November 8, 1991  
Second term opens November 12, 1991  
Second term closes January 31, 1992  
Third term opens February 3, 1992  
Third term closes April 10, 1992  
Fourth term opens April 13, 1992  
Fourth term closes June 17, 1992

### **HOLIDAYS**

Columbus Day - October 14, 1991  
Veteran's Day - November 11, 1991  
Thanksgiving - November 28, 29, 1991  
M.L. King Day - January 20, 1992  
Memorial Day - May 25, 1991

### **SCHOOL SESSIONS**

Kindergarten (Morning Session) ..... 9:00 a.m. to 11:30 a.m.  
Kindergarten (Afternoon Session) .... 12:30 p.m. to 3:00 p.m.  
Grades 1 thru 6 ..... 9:00 a.m. to 3:00 p.m.

**NO SCHOOL** news will be given over Radio Stations:

**WARA - 1320**  
**WBZ - 1030**  
**WPRO - 63 AM or 93.2 FM**

Normally, if King Philip Regional High School has no school because of weather, the Plainville Elementary Schools will not be in session.

### ORGANIZATION

Suzanne Neske, Chairperson  
Dr. Richard Grady, Vice-Chairperson -  
James A. Johnson, Treasurer  
Barbara Fink, Secretary

### SUPERINTENDENT OF SCHOOLS

Perry P. Davis, Ed.D.

### SUPERINTENDENT'S OFFICE

Mrs. Shirley Maduskuie	Ms. Joyce Verna
Mrs. Virginia MacRae	Ms. Marilyn Reale
Mr. James A. Johnson	

Regular meetings of the School District Committee are held every first Monday, in February, April, June, July, August, and December, and every first and third Mondays in January, March, May, September, October and November. Meetings are held at the King Philip Regional High School at 7 p.m. in the Media Center.

## SUPERINTENDENT'S REPORT

On behalf of Mrs. Suzanne Neske, Chairperson of the King Philip Regional School Committee and members, Dr. Richard Grady, Mrs. Pauline Chute, Ms. Mary Ann Gallimore, Mrs. Maureen Howard, Mrs. Theresa Hubbard, Mr. James Lehan, Mrs. Jane Morris and Mr. Fred Paul, III, allow me to extend my personal thanks to the King Philip Regional administration, teachers, parents, students, elected officials of the member towns, and all who helped to support public education. I hereby submit to the citizens of the King Philip Regional School District the Superintendent's annual report for 1992.

### RECOGNITION - MR. WILLIAM J. COSTA

July 1, 1992 saw the passing of an era, Mr. William J. Costa, Superintendent of King Philip Regional School District retired.

Mr. Costa came to King Philip in July of 1968 as Principal of King Philip - North. In 1971 he succeeded Mr. Charles Manos as Superintendent of the District, a position he was to hold for twenty-one years. Throughout his years of service, Mr. Costa saw many changes, most significantly the expansion of the High School into a truly comprehensive program with a full vocational component which provided students with the ability to cross areas when developing their annual programs. Then in 1990, with severe fiscal constraints placed upon education throughout the State, he also witnessed the dismantling of the vocational programs .

A graduate of Provincetown High School and Harvard College, Mr. Costa served for four years as a naval officer aboard a mine sweeper in the Atlantic. Upon his discharge in 1955, he entered the field of education when he was appointed as a high school science teacher in Mattapoisett. Mr. Costa accepted his first administrative position as an elementary principal at Provincetown in 1959 at which time he also earned his Master's Degree from Bridgewater State College. He then came to Millis as an elementary principal where he remained until he accepted the principalship of King Philip - North in 1968.

During his tenure in the District, Mr. Costa also served as High School Principal and Vocational Director. All of us who know him, could not help but be aware of his true love of young people. Although he could have chosen many other professions, he chose education out of a deep love and belief in our youth. His focus was always the students and his commitment to education stemmed from that faith. We wish him many happy and healthy years in retirement.

### QUALITY EDUCATION

The School Committee, Superintendent, Administration, Faculty Staff, Students, Parents and members of the communities in Norfolk, Plainville and Wrentham should expect that the King Philip Regional School District will provide a quality education for all students.

The challenge of a quality education is for all interested parties to work cooperatively to meet this goal. Public education is a public commitment to help all children master the knowledge and skills needed to achieve their full potential and succeed in the twenty-first century.

During difficult economic times, quality education should not be compromised. The global economy demands that students have mastery of critical thinking, problem solving and cooperative work experiences. Mastery of the basic skills of reading, writing and mathematics are not enough to compete in the information age.

If the goal of quality education is to be maintained, additional resources will need to be developed to support the students at King Philip.

### CAPITAL IMPROVEMENTS

During this year, many capital improvements were completed. At the Senior High School a new roof was installed, along with: new exterior doors, ceiling tiles and classroom lights, resurfacing of the parking lot and driveways, and repairs to the heating system. At the Junior High School, several exterior doors were replaced and repairs were made to the roof and heating system. All of the capital projects were completed using funds approved in the bond issue.

## STAFF DEVELOPMENT

Due to budgetary reductions, King Philip had to curtail staff development programs. The major staff development project at the High School was the completion of the self-evaluation reports for the school's ten year accreditation review. The accreditation is conducted under the guidelines of the New England Association of Schools and Colleges. This review began with a revision of the schools philosophy and goals and a school community study. Both the philosophy and school and community reports were approved by the faculty and accepted by the School Committee. Extra early dismissal days were approved by the School Committee to allow teacher committees to conduct a self-assessment study according to the NEASC standards in such areas as facilities, curriculum and instruction, library and media services, student and program assessment, and personnel and student services. In addition, a number of committee meetings were scheduled after school.

At King Philip-North the teachers and administrators worked cooperatively on a school-wide curriculum council. The major focus of their efforts was to change to a middle school philosophy with more emphasis on interdisciplinary instruction.

## GRANTS

The King Philip Regional School was successful in securing several grants to help support our educational efforts. The following is a list of the grants received for the 91-92 school year.

Chapter 1, ECIA	\$39,474
Chapter II, ECIA	4,437
DDE Math/Science Title II	2,688
Drug Free Schools	<u>6,364</u>
Total	\$52,963

## SCHOOL REPORTS

The administrators have prepared the following reports for the Senior High, Junior High and Pupil Personnel Service.

Senior High School-Mr. Winston Fairfield, Jr., Principal

King Philip Regional High School is accredited by the New England Association of Schools and Colleges. The high school faculty has completed the process of self-evaluation and was visited by fellow educators in November of 1992 to review the standards for continued accreditation.

Our major student accomplishments continue to be a high percentage of our graduates who are prepared upon graduation for college or to enter their chosen career path; one of the highest daily attendance rates in the state; and a very low dropout rate.

The flexible scheduling process has allowed continuation of student involvement in local college programs and exchange time with other colleges and universities. During the summer of 1992 a number of enrichment and remedial courses were offered during a five-week program.

The high school welcomed one foreign exchange student in September of 1992 from Italy. The foreign exchange policy allows three students to attend each year hosted by families in our district.

The Peer Leadership program has continued to assist our students in their total development with awareness of adolescent concerns with training sessions being provided. The students then present programs on substance abuse, peer pressure, smoking, and school related concerns at the Junior High and district sixth grade classes. "Kids Helping Kids" has received state recognition for an outstanding program.

This year the Parents' Network has been very supportive in continuing a goal to improve the communication between the home and school as well as increase awareness of the high school opportunities available to our young adults. Their concern and involvement has been greatly appreciated by the administration and faculty. They have sponsored the "All Night Graduation Party", "Battle of the Bands", and in the fall of 1992 organized the second Father/Daughter Dance. They also have recognized educational leaders and outstanding students as well as hosting a teacher recognition luncheon.

## LANGUAGE ARTS

The Language Arts Department continued to emphasize both reading and writing skills in its curriculum. Courses designed to accommodate various abilities ranged from advanced placement for those students capable of doing college work to reading and writing labs for those with specific deficiencies. The curriculum was augmented by providing the opportunity for students to attend professional theater during the year.

## MATHEMATICS

The Mathematics Department in preparing our students for life in the 21st century, has implemented the standards of the National Council of Teachers of Mathematics. Our goals are:

1. To encourage students to value mathematics
2. To teach students to reason mathematically
3. To instruct students to communicate mathematically
4. To help students become mathematical problem solvers
5. To have students become confident in their own mathematical abilities.

The department sees educational technology as playing an important role in the study of mathematics. To this end the uses of appropriate calculators and computers are included in the curriculum.

Also, students have access to over ninety IBM computers, twenty-six of which are networked to facilitate the teaching of computer applications and the languages of BASIC, FORTRAN, Pascal, and COBOL. Through the introduction to computer courses, all students gain exposure to the capabilities of using computers.

## SOCIAL STUDIES

The Social Studies Department has continued to be involved with the political issues of the day as well as the Hugh O'Brian Youth Leadership Seminars, State Government Day, and class elections. Students continued to be involved with field trips to the Wrentham Courthouse, Law Day, and the Hockomock League Model Senate. A greater number of students became involved this year in History Day activities with some continuing to be displayed at the district and state level.

## SCIENCE

The Science Department continues to offer a sound curriculum in their area with courses ranging from Human Biology to Advanced Placement Biology, College Biology, Chemistry, Physics, as well as Anatomy and Physiology and Environmental Science. The laser disc technology is being utilized in the Biology, Earth Science, and Physical Science courses.

## MEDIA CENTER

Students have access to a quality collection of resources in the Media Center. Materials are chosen to reflect what is being taught in the curriculum, and students should be able to find the necessary research and report materials as required for class assignments. Computers, electronic encyclopedia, microfiche, and video cassettes and disks are available; and students are encouraged to take advantage of the latest in educational technology to facilitate their search for information. The Media Center has extended its services to students, faculty, and communities with the addition of Massachusetts Corporation for Educational Telecommunications (MCET) and Whittle Communications news and education channel.

## PHYSICAL EDUCATION

The Physical Education Department continues with the development of carry-over activities, and the adventure wall climbing course with the giant swing and burma loops. All sophomores are presented with the "Driving and You" program offered by the Massachusetts Safety Council. The Physical Education Internship Program has met the needs of students furthering their education in the Health/Physical Education field.

## BUSINESS

The Business Department continues to offer a complete program to prepare our students to enter the world of business. There has been an expansion in the use of computers in the accounting program and with a word processing software package to obtain entry-level or personal use skill. The business and marketing internship programs continue to provide work experience and bridge the classroom activities with the business community.

## TECHNOLOGY EDUCATION

The technological courses are designed to give all students the opportunity to learn some job-related skills at some point in their high school program. These courses are designed for students interested in becoming technically aware of state-of-the-art design and engineering techniques.

## CO-CURRICULAR

High school interscholastic athletics, school clubs, and activities continue with high student participation. The communities and parents should be very proud of the accomplishments of our young adults in their educational preparation.

## FOREIGN LANGUAGE

The Foreign Language Department offers a five year sequence in French and Spanish starting in Grade 7 and a two year sequence in German and Latin starting in Grade 9. Advanced placement courses are offered at the upper levels in which students are allowed to work for college credit while at the high school level.

Foreign language courses concentrate on developing skills in listening, speaking, reading and writing with the ultimate goal of communicative competence, the ability to understand and be understood with ease in the target language.

Foreign language festivals, foreign speakers, field trips, language competitions, and travel to foreign-speaking countries have been and continue to be ancillary activities for language development and cultural awareness.

## FINE & PERFORMING ARTS

### ART DEPARTMENT

The Art Department continues to expand offerings for greater student involvement. The Art Department now offers the following courses: Foundation Design, Graphic Design, Art History and Appreciation, Fashion Design and Textiles, Ceramics, Drawing and Painting, Art for Non-Majors, and Advanced Art I and II. Our students have participated very successfully in the Globe Scholastic Art Contest and other local and state contests.

## MUSIC DEPARTMENT

The Music Department continues to build a sound curriculum with increased student enrollment. The marching band continues to be successful and captured the Division II Marching Band Championship of the New England Scholastic Band Association in the fall of 1992. Students were honored by selection to the MMEA Southeast District Festival and recommended for All-State auditions.

### Junior High School-Mr. Ronald Marino, Principal

The 1992 school year at King Philip - North saw the development of a school-wide curriculum council. The council, comprised of seven staff members, was initiated to establish educational goals and objectives for both students and staff for the 90's.

Student and parent orientation activities were highlighted by a very well attended sixth grade parent orientation where our seventh grade staff spoke with parents about student programs, group structure and curriculum. A special thanks to Mrs. Calkins, reading teacher, Mr. Doherty, Guidance Counselor and the many seventh graders who created an outstanding video production of our Junior High School's many and varied activities. The video played a paramount role in the orientation program for both students and parents throughout the regional school district.

In July, we welcomed Dr. Perry Davis as our Superintendent of Schools. Under his support and guidance we were able to develop state grant proposals to acquire funding to create a new program for our students called Consumer Education and Life Skills.

Our parent group continues to be active with monthly meetings scheduled to address a wide range of topics. The group is to be commended for their development of our first "assignment notebook". All students were presented with the notebook on the first day of school.

King Philip - North Parent Group was also instrumental in developing closer ties with the High School Parent Network. We look forward to coordinating more activities on a grade seven to twelve basis.

Special thanks to our staff under the direction of Mrs. Jeanne Poulin for the creation of both our "Bridge" and "Spirit Week" programs. Throughout the year our students were afforded the opportunity to see how classroom studies related to the working world.

Congratulations to the outstanding achievement of those students who received recognition at our annual Academic Awards Ceremony in June. One hundred and twenty-five seventh and eighth graders were presented achievement awards for earning "Honors" during all four marking periods.

We wish to thank the many parents and friends who participated in our annual fund raiser. You continue to be a tremendous help in supporting our student activities and programs.

Pupil Personnel-Mr. Joseph P. Lojko, Director

Although we have been extremely busy on a day-to-day basis, this has been a relatively quiet year for both the Special Needs and Guidance programs as far as significant changes are concerned. Staff levels in both areas remain unchanged from the previous year. However, in October 1992, increased special needs requirements at the Junior High School necessitated the transfer of one special education teacher from the High School to King Philip - North. This increasing student population will be affecting the Senior High School in 1993-1994 and that will have implications for future staffing plans.

The guidance department has initiated the daily broadcasting of a college video tape to all classrooms. These videos supplied free to the High School by the colleges provide the students with an opportunity to familiarize themselves with the many program differences and opportunities that are available to them after graduation. These videos are also available for independent viewing from either the guidance office or media center.

Another new offering by the Guidance Department is a second Financial Aid workshop presented the last week in January. This is not a repeat of the December workshop which focuses on the preparation of the F.A.F. (Financial Aid Form) but rather a follow up to that program with discussion and material on how to interpret the different Financial Aid Packages which families will be offered.

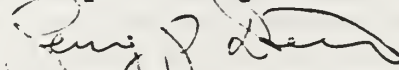

The special needs program was fortunate to complete its goal of purchasing one computer for each of the resource classrooms. This has been a project of several years' duration resulting in IBM personal computers at the High School and Apple computers at the Junior High School.

We are now looking forward to the future. Education is changing rapidly and many new opportunities will present themselves. We have only to keep our minds open and seize the occasion.

#### SUMMARY

The success of the students at King Philip should be a source of pride for all who have contributed their time, talents and financial support. In these difficult financial times all of our efforts must be focused on the needs of children. Benjamin Disraeli said it best, "Upon the education of the people of this country the fate of this country depends". The twenty first century is only eight years away and the world is a very different place today than it was even last year. It is my sincere hope that we can continue to offer the students at King Philip the highest quality education.

Respectfully submitted,

Perry P. Davis, Ed.D.

# TRI-COUNTY REGIONAL VOCATIONAL TECHNICAL SCHOOL DISTRICT

## ANNUAL REPORT 1992

In July 1992 the School Committee reorganized and elected the following officers: William Vellante (Millis) Chairman, Janice Young (Walpole) Vice-Chairman, and Charles Mucciarone (Franklin) Secretary.

The School Committee conducts its regularly scheduled meetings on the first and third Wednesday of each month at 8:00 P.M. in the Committee Meeting Room at the school. From the beginning of November until the end of January, the Budget Sub-Committee meets on the second and fourth Wednesdays specifically for the purpose of budget development. Other sub-committee meetings are scheduled as needed.

### Graduation

On May 31, 1992, 159 students were graduated in an impressive afternoon ceremony. William Vellante, Chairman of the School Committee, delivered the welcome address to more than one thousand guests. Music was provided by the Millis High School band.

Mary Fleming, Director of Pupil Personnel Services, presented scholarships and awards totaling more than \$35,000 to deserving senior students. Students receiving awards were: Yeasah Pell (Class Valedictorian), Mark Bardol, Jennifer Derry, James Genoa, Matt Allard, Kara Shea, Heidi Decker, Rachelle Lallier, Tracey Carita and Keith Boyce of Franklin. Medfield students receiving awards were Robert Donovan and William Setterlund. Medway students receiving awards were Brian Long and Michael Bourbeau. Millis awardees were Brian Bourque (Class Salutorian), Mark Pitts, Jeffrey Neal, Jeffrey DeRosa, Joseph McMorro and Joseph Wallace. North Attleboro students receiving awards were Joann LaFleur, Joseph Lavalley, Amy Audette, Chris Thibert, Trinda Yurek, Brian Homs and Mark Medeiros. Walpole students receiving awards were Brian Burt, Joanne Webber, Erik Schwarz and Gregory Ward. Also receiving awards at graduation were Nicole Rossilli of Seekonk and Todd Labagh from Norfolk.

### Pupil Personnel Services

In September 1992 Tri-County welcomed approximately 735 students to the new school year. Of that number, 30 were Plainville residents.

Because of the Co-operative Employment Program at Tri-County forty-two students started early employment in industry. By June of 1992, 95% of the graduating class was employed. 70% of the students were working in their vocational area. Approximately 30% of the class will attend colleges. Among the colleges they have enrolled in are: Worcester Polytechnic Institute, University of Massachusetts Amherst, University of Massachusetts Dartmouth, Northeastern University, Wentworth University, Johnson & Wales University, and Springfield College. Three Tri-County seniors were recognized by national organizations. Yeasah Pell of Franklin was one of six students nationally invited to compete in Electronics in Chicago by the International Vocational Clubs of America. Joseph Lavalley of North Attleboro received the Elks National Foundation Vocational Grant to continue his education in Machine Design, and Kara Shea of Franklin received a four-year tuition grant at the National Distributive Education Clubs of America Convention in California.

Tri-County administered the PSAT's for the College Board. Additional achievement testing was administered for all Grade 9 students by the Guidance Department. Tri-County counselors, parents and students joined other area towns for a Higher Education Evening in Walpole with over 200 college co-op/vocational counselors to work with them on job placement, co-op, and for college.

The Pupil Personnel Department developed evening programs for 1991-92 centered around the theme of "Adjusting to School". The Guidance Department continued its Peer Helpers program to assist with school adjustment and to introduce Vocational Education to junior high students in the community. The department continued its programs for parents on Financial Aid, College Selection and Special Needs. Tri-County hosted Open Houses for Grade 9 students and their parents on November 24 and February 23 and continued to hold guided tours at the school on Tuesday for the public. Hundreds of parents took the opportunity to tour their vocational technical high school.

In November 1992, Tri-County sponsored two Career Days for its member towns. This year Grade 8 students from the sending towns had the opportunity to see and to hear career options centered on eighteen vocational vocational and technical areas and to view the vocational technical component of the Plainville School System housed at Tri-County.

#### Academic Programs

During the 1991-92 school year the teachers at Tri-County began work on a refocusing of our academic curriculum in order to make certain courses more applicable to our students' learning strengths. While we have always coordinated our vocational/technical programs with our academic programs, it is now necessary for us to expand this in order to ensure that necessary academic instruction is incorporated in vocational and technical courses.

It is also evident that more and more of our students are choosing to enter college directly after high school and we must therefore make sure that the academics are not merely limited to basic studies or directly related applications.

While implementing an applied academic program we are still emphasizing thinking and reasoning skills as well as the study of those academic subjects necessary for further education.

#### Vocational Programs

Tri-County's vocational programs continue to provide numerous services to both individual and community members of the Tri-County School District.

The Auto Shop is responsible for maintaining, repairing and servicing all of our school vehicles. We also provide services and repairs to the people who reside in Tri-County's district towns. The Auto Repair program has received ASE Master Certification from the National Automotive Technicians Education Foundation, Inc. (NATEF). This certification is nationally recognized and considered to be the highest achievement known in the Automotive Industry. The Master Certification was awarded to the following areas of Automotive service: Automatic Transmission and Trans Axle, Brakes, Electrical Systems, Engine Performance, Engine Repair, Heating and Air Conditioning, Manual Drive Train and Axles and Suspension and Steering.

Since the addition of Tri-County's new "Down Draft Spray Booth", our complete paint jobs have been rated as equal to that of any first Auto Body Repair Shop. Student placement rates remain high in this much needed profession.

The Machine Shop curriculum is designed to meet the needs of industry. Industry is seeking students with vertical and horizontal milling machine experience. Industry is also desirous of hiring graduate students that have experience setting up and operating computer numerical control machines. Tri-County graduates have experienced 100% job placement over the past several years.

The Metal Fabrication/Industrial Technology program trains our graduates in all phases of welding and cutting. Students are able to be tested and receive Welding Certification that will help them to gain employment after completing school. Industrial Technology students are trained to do residential and commercial wiring and perform small engine repair. Industrial Technology trains some of our select students to become "Equipment Technicians" and to gain employment with Texas Instruments at its highest salary level. This successful program that has been in operation for three years.

The Plumbing program continues to provide students with the necessary skills and habits to become licensed journeymen. In the Plumbing Shop there are simulated house and apartment mock-ups where our future plumbers are trained in all aspects of the plumbing trade.

The simulated shop job activities and the correlated theory program within our Electrical program prepare our graduate students for the state journeymen examination.

Both the Carpentry and Masonry shops prepare our student graduates for the construction trades. Many of our graduates are employed doing carpentry and masonry work in the building industry. Many of our Tri-County Alumni operate their own businesses.

Our construction trade programs are again in 1992 working with the Town of Franklin to construct a low and moderate income housing unit.

#### Technical Programs

The new playground structure became a reality for the Tri-County Child Care program this past spring. With the start of a new school year the preschool children enrolled in the nursery school program are anxiously awaiting their turn to explore on this challenging, fun piece of equipment.

The Commercial Art shop includes Desktop Publishing as part of their curriculum. Students learn computer layout, design, and graphics.

Due to the increased demand for well-trained licensed cosmetologists, Tri-County has expanded its cosmetology program. With the addition of another certified cosmetology teacher and the opening of an ultra-modern salon-shop area featuring the latest in equipment, the cosmetology program is now accepting more students.

This expansion has allowed the restructuring of the cosmetology course so that one salon-shop area is used to introduce the program to 9th grade students and also provide basic education to 10th grade students who choose to major in the subject. The larger salon-clinic area offers sufficient

space for the 11th and 12th grade students to work from individual stations when performing services. A separate clinic room has been created away from the main hair-care salon to offer private skin care treatments such as facials, waxing, and make-up.

Culinary Arts has added a new computer to their program. The students are learning to operate and program the new point of purchase computer at Tri-County's student-operated restaurant, Gerry's Place. Gerry's Place and Bake Shop are open to the public for lunch during the school year.

The Electronics Technology program prepares students for entry level positions in the electronic and computer industry. The course includes instruction in basic AC/DC circuits, solid state technology and digital circuits. Consumer product service has recently been added to the Electronics curriculum.

Graphic Arts continues to provide its printing services to many nonprofit organizations throughout the Tri-County district while preparing students for entry level employment in the field.

The students in the Marketing/Office Technology program have expanded their word processing skills by mastering computerized accounting, data based management, spread sheets, personal filing system, and lotus 1-2-3. Students taking the marketing and banking track receive hands on training by working at the Dean Cooperative Bank located at Tri-County. The Bank is open to the public during the school year for all banking services.

The Medical Careers program continues to grow as it enters its second full year. Students in all grades receive training in order to take the new state exam to become certified Nursing Assistants. We are currently affiliating with three area nursing homes where students can apply skills of patient care and recreational activity. Students also receive basic health care knowledge which enable them to pursue career choices such as EMT, Medical Assistant, and Nursing.

#### Adult Education

The Adult Education Program has enrolled approximately 700 students for the 1992-93 school year. Nursing Assistant, Introduction to Computers, Low Fat Cooking, and Baking & Cake Decorating have been added to the program due to increased interest by the residents of the district. The Adult Education program of studies will continue to include Carpentry, Cosmetology, Electrical Code, Esthetics, HVAC&R, Introduction to CAD, Welding, and Woodworking. The Mandatory Code Review Course for licensed electricians will be held on selected Saturdays throughout the year.

The Adult Education Division has expanded the cosmetology program by offering the opportunity for area residents to attend during the school day. A separate salon has been constructed to accommodate adult residents of the community for this 1000 hours of instruction.

#### Athletics

The Fall season saw the soccer team make its first post-season play in many years, losing to Division II Rockland. Cross country and volleyball finished strong seasons with much to look forward to in 1992.

The Winter season was most impressive during 1991-92. The girls and boys basketball teams both made it to the state tournament. Meanwhile, the

wrestling team finished with a 14 and 4 record, with six wrestlers qualifying as sectional place winners. The cheerleaders continued their support for the Fall and Winter.

In the Spring season the baseball team went to the second round of the state tournament, losing to a strong Abington. Softball and track & field had an increase in participation with young teams coming up the line.

The new Hall of Fame had its first induction of five former athletes and one past coach. Over one hundred people attended the induction ceremony. This induction marks the first of a new Tri-County tradition.

#### Student Activities

Tri-County has an active Student Council that sponsored two dances and a teacher appreciation breakfast. The Student Council also contributes time and donations to various community projects, including an annual blood drive.

In the Fall of 1991 and Spring of 1992, Tri-County was involved in a cultural and technical exchange program with the Rene Cassin Technical School located outside of Paris, France. Potential future exchanges are being explored with schools in Ireland and Germany.

Tri-County has an active VICA Chapter (Vocational Industrial Clubs of America). Over ninety students participated at the local, state and national levels.

#### Summary

As we move into 1993 and continue to provide for the educational needs of our students, we wish to thank the District residents for their support and cooperation. We intend to maintain in the future the high educational standards that have earned Tri-County that support in the past.

BOARD OF SELECTMEN  
PLAINVILLE, Ma.

TO THE BOARD OF SELECTMEN:

REPORT OF THE HIGHWAY DEPARTMENT:

HIGHWAY MAINTENANCE:

STREETS AND SIDEWALKS HAVE BEEN SWEEPED. ROADS HAVE BEEN REPAIRED. GRAVEL ROADS HAVE BEEN GRADED. STREET SIGNS HAVE BEEN REPAIRED OR REPLACED AS NEEDED. TRAFFIC LINES HAVE BEEN PAINTED. GRASS MOWING AND TRIMMING WAS DONE AT THE SOUTH BURIAL GROUND, CONSTITUTION PARK AND THE BLISS UNION CHAPEL. LITTER PICK UPS HAVE BEEN HELD. MAINTENANCE WORK AT THE CONSERVATION AREA WAS DONE. THE ADIRONDACK SHELTER WAS DESTROYED BY TWO GRADE SCHOOL AGE CHILDREN FROM PLAINVILLE, WITH NO ACTION LEADING TO RESTITUTION.

SIDEWALKS: A SIDEWALK WAS REBUILT ON EAST BACON STREET FROM PLEASANT STREET TO GROVE STREET.

DRAINAGE: 1700 FEET OF DRAINAGE WAS COMPLETED ON SCHOOL STREET. STRUCTURES HAVE BEEN REPAIRED.

SNOW REMOVAL: SANDING AND PLOWING WAS DONE. STORM DRAINS HAVE BEEN CLEANED. EQUIPMENT WAS REPAIRED AND REPAINTED.

TRASH REMOVAL: TRASH HAS BEEN PICKED UP WEEKLY. REMEMBER THAT YOU MUST RECYCLE OR YOUR RUBBISH CANNOT BE PICKED UP WITH RECYCLABLES IN IT.

CHIP SEALING WAS DONE ON FALES ROAD AND RHODES STREET.

1700 FEET OF SCHOOL STREET WAS RESURFACED.

RESPECTFULLY SUBMITTED.

  
RON FREDRICKSON

## PLAINVILLE WATER/SEWER DEPARTMENTS

142 SOUTH STREET  
P.O. BOX 1565  
PLAINVILLE, MASSACHUSETTS 02762

TO THE HONORABLE BOARD OF SELECTMEN:

### WATER/SEWER DEPARTMENTS

#### COMMISSIONERS

Dennis Baril  
David Bois  
Edwin Harrop, Chairman

#### STAFF

James R. Marshall, Jr.  
Dennis Marcure  
Patricia M. Barney

1992

Water Produced	194,619,000 Gallons
Water Purchased	9,650,000 Gallons
Total Water Consumed	204,269,000 Gallons
Decrease From 1991	14,000,000 Gallons
Average Day Production	533,000 Gallons
Maximum Day	1,034,000 Gallons
Lowest Day	331,000 Gallons

#### MONTHLY BREAKDOWN

January	15,065,000	July	18,571,000
February	15,421,000	August	20,052,000
March	15,116,000	September	18,672,000
April	16,283,000	October	17,183,000
May	20,091,000	November	8,046,000
June	17,849,000	December	12,240,000

During the year all new regulations of both Federal E.P.A. and Massachusetts D.E.P. were followed with regard to Water Supply. This was accomplished not without much effort and expense. Many more changes are forthcoming in the future and all programs to maintain compliance will be followed. The first phases of two major programs were begun during 1992; these being (1) the M.P.A. analysis (Microscopic Particulate Analysis as part of the surface Water Treatment Rule and (2) the Lead and Copper rule. The second phase of these programs will be undertaken during the first six months of 1993 and results will indicate the next action level to be taken.

The three wells off East Bacon Street at George Street were cleaned and rehabilitated during March and April and the Treatment Plant was maintained on a daily basis.

Three defective fire hydrants were replaced as were two hydrants hit by cars. Several leaks in the system were reported and repaired.

## PLAINVILLE WATER/SEWER DEPARTMENTS

142 SOUTH STREET  
P.O. BOX 1565  
PLAINVILLE, MASSACHUSETTS 02762

The Well Rehabilitation Project off West Bacon Street at the rear of the Highway Garage continued at a very slow pace, primarily because of the ongoing investigation of groundwater contamination investigations currently underway by several area industries. It is hoped that during 1993 final agreements will be reached which will allow the Water Department to use the newly installed replacement wells at the location of the original #3 Well.

Every effort was made to continue working towards a efficiently and quality Water Works operation and many new programs will be forthcoming.

### CONDITIONS OF FACILITIES

NAME	YEAR BUILT	CONDITION
Water Treatment Plant	1990	Good
Well #1	1964	Poor
Well #2	1967	Good
Well #3, 3B, 3C	1974, 1989, 1989	Good
Well #5	1989	Fair
Water Storage Tank 1.5 Mil.Gal.	1964	Good

Thanks to all who helped us and supported us especially the Highway Superintendent and crew.

### SEWER DEPARTMENT

The Sewer System needs to have a Phase II Inflow and Infiltration Engineering Report and Investigation conducted as per the recommendation of 1989 work and report. Now is the time before the situation becomes a crisis situation.

During 1992, Bylaws were amended for the Federally mandated Industrial Pre-Treatment Program.

For anyone not familiar with the Plainville Sewer System a quick explanation follows: the system consists of a series of sewer pipes or mains which collect sewerage from homes, commercial buildings and industries located in Plainville and carries this sewerage to the Wastewater Treatment Plant owned and operated by the Town of North Attleboro. Plainville is charged for the collection system and treatment by the Town of North Attleboro on a proportion basis regarding the amount of sewerage metered at the town lines (2 locations) compared to the total amount received at the Treatment Plant. These charges are rising dramatically as our system ages and costs to operate the North Attleboro facility increase.

## PLAINVILLE WATER/SEWER DEPARTMENTS

142 SOUTH STREET  
P.O. BOX 1565  
PLAINVILLE, MASSACHUSETTS 02762

We are currently closing in on our contractual limits as outlined in the Intermunicipal Agreement with the Town of North Attleboro and will be considering the next steps to be taken to assure that Plainville's Sewer System needs are adequately addressed.

Thanks to all who have helped us during the year and we look forward to serving you during the next year.

### FINANCIAL REPORTS

David Bois

# Planning Board

PLAINVILLE,  
MASSACHUSETTS

To the Honorable Board of Selectmen:

The past year has been a productive one for the Planning Board, although due to the regional recession, there has been a sharp reduction in the presentation of subdivision plans. The Board has continued its efforts to restructure the planning process to provide the Town with not only the optimum of protection but the most cost effective means to provide that protection. These efforts have enabled the Board to save the Town thousands of dollars each year, between \$10,000.00 to \$25,000.00 to be more specific.

The Planning Board, after several Public Hearings, researched, revised and adopted ammendments to its Subdivision Rules & Regulations.

During the year, the Board sponsored several Public Forums to discuss a Master Plan for the Town. Several sections were presented regarding Transportation, Housing and possible Policies and Recommendations. The Board considered many Form A applications, approved one major subdivision, rescinded two subdivisions and held several Scenic Road Hearings.

We encourage all concerned citizens to attend our meetings and hearings. We wish to take this opportunity to Thank all Town Officials and Town Departments for their cooperation during the past year.

Respectfully submitted,

Thomas Watkins, Chairman  
Richard Stenfeldt, Vice-Chairman  
Glenn Lyon, Treasurer  
Mark O'Neil, Recording Secretary  
Steven Cobb, Member

--------------------	--------	--------	--------

This past year marked the third year of operation in the new facility. It has also marked another year of fiscal constraints. Despite the difficulties, the Trustees and the Staff remain committed to providing Plainville with a full service library ready to meet the demands of the future. In order to protect our citizens investment in the Library, a 3M Security System was installed.

During the year, patrons have enjoyed a wide variety of programs. Topics included financial workshops, CPR and Baby sitter training as well as evenings of entertainment provided by the New England Brass Quintet and so many other talented performers. The Library has also served and shall continue to serve as an avenue for the Arts, displaying the works of various artists for the enjoyment of all.

Operation After School was launched. This grant in the amount of \$12,631 enabled the Staff to provide the children in grades 3 through 6 with a Homework Center and an Apple IIGS computer. The Library has continued to pursue any and all grants available. The director has submitted a Letter of Intent to the Library Board of Commissioners requesting a \$5,000. grant in order to establish a Job Search Center. Plainville continues to have one of the highest unemployment rates in the area. We are committed to provide our citizens with the necessary tools and materials needed to aid them during these times of recession.

In order to remain eligible to receive any available grant money, the Trustees and Staff completed the Library Planning Process in December of 92. Our director, Ann Robinson has worked in close cooperation with the region and area libraries to compose a grant that will allow Plainville and other communities access to the ABLE network and its wide range of services.

The Trustees and the Staff wish to Thank the Friends of the Library, the PTO, our volunteers and all Town Officials for their cooperation and support during the past year.

Barbara Lee, Chairman  
Linda Lyon, Vice chairman  
Proscilla Armour

# Historical Commission

136 SOUTH STREET

PLAINVILLE, MASSACHUSETTS

02762

The year 1992 has been one of great activity for the commission. We have enjoyed a series of informational meetings with commissions from towns in our area. These have dealt with computer programs compatible with our work, graveyards, and the variety of activities carried on in each town. In our own headquarters, the Humphrey House, the two west rooms have been redecorated which involved a wallpaper stripping workshop by the commission followed by the skim coating of the plaster walls by member, Fred Fluck. We are pleased with the painting and wallpapering done by Prism Painting of Plainville.

The several projects we have undertaken included an open house on the evening of the town's Christmas tree lighting; cooperating with the United Methodist Church by providing monthly historical display boards for the 100th anniversary of the church's founding; and finally an exhibit aptly named RAILWAY DAYS IN PLAINVILLE. An estimated 1000 persons attended during the twenty hours the display was open. Naming the people who participated in so many ways is not feasible, but the countless hours of assistance given to chairman, Brian Rickard, by Alan Bliek, Greg Pion, Fred Fluck, and Barbara Fluck must be mentioned. We now have an excellent file of pictures and information on local railroading to assist researchers in the future.

Gifts have been received from: Gilbert Bagley, Alan Bliek, Ruby Bliek, Cynthia Cargill, Rita Carpenter, Beatrice Cate, George Curtis, Esther Friend, William Gill, Laura Kelly, Sandy Kern, Dick Leggee, Joseph MacDougald, Dr. Richard D. Mudd, Ruth Nerney, Charles Rice, Everett Skinner, Clarence Snell, Joan Warren, Mary White, Gordon Woodhams, and the Plainville High School reunion committee.

Requests for information are unending and this year have dealt with: families named Burton, Cheever, Maxcy, Pond, and Ware; Deborah Sampson, Clarence Telford; pictures of the house on Wade's Hill, weathervane on the Town Hall, the Plainville depot, the Feid house, and a deceased resident; copies of articles about Whiting & Davis, and about the commission which have appeared in the Sun Chronicle; architectural drawings of the Guild/Kollock house; information on Whiting & Davis for: a collector in Connecticut, for a master's thesis being done in Michigan, and for the Massachusetts Department of Labor; about the Angle Tree Stone from the Sun Chronicle, and from the town as to the dimensions of the land on which that stone sets; various local properties from owners and developers; and from the local library requesting a brief history of that institution for grant purposes.

Looking to the future we are discussing potential exhibitions pertaining to the Civil War as it affected this community possibly with a reenactment group attending and one dealing with local buildings erected from 1700 to 1870 with special emphasis on the Humphrey House. We are actively seeking residents who are interested in working on either of these projects (work being the key word). If this appeals to you, please join us at our regular meetings on the third Thursday of the month at 7 p.m. at 136 South Street.

# Park Commission

PLAINVILLE, MASSACHUSETTS

02762

December 1, 1992

To the Honorable Board of Selectmen and the citizens of Plainville:

The Plainville Park Commission hereby submits our report for the year ending June 30, 1992.

The Park has had another year of expanded programs. This years programs have been varied and successful. Citizens of various ages have participated in the programs offered.

Attendance of:	Children	Adults
We offered 8 trips:	149	190
We offered 4 children's show:	319	49
Summer activities:	120	22
School year activities:	329	66

Meetings were held on the first and third Monday of each month. Our budget is as follows:

	Budgeted	Expended
Expenses	\$ 8,175.00	\$ 8,175.00
Salaries	\$30,345.00	\$25,234.34

We would like to take this opportunity to thank all the volunteers and various town departments for their help and cooperation during the past year.

The Park Commissioners and staff want to thank the citizens of Plainville for their continued support and encouragement. It is this support that enables the Park to provide quality programs and trips that you have come to expect from us and which we feel you so richly deserve.

Your Park Commissioner's,

Cheryl Follett  
Beulah Rench  
Barbara Toosely

## CABLE ADVISORY COMMITTEE

JULY 1, 1991 TO JUNE 30, 1992

TO THE HONORABLE BOARD OF SELECTMEN:

For the fiscal year of 1992, the Cable Advisory Committee presented a LARGE VARIETY of programs on the local access, Channel 8, including: The Wood School 6th Grade Lip-Sync, the Jackson School Spring Concert, AM & PM Classes, the Town Meeting, the Park & Recreation Department. Instructional Soccer, Santa's Visit & the Xmas Tree Lighting, and Xmas Mass. One of the most interesting was the tribute to Father John Mahoney, which was live as well as on film. Coverage of the Selectmen's and the School Committee's meetings was continued.

Public interest messages are shown on Channel 10, with continuing updates. Items for airing can be left at the Fire Station or given to any member of the CAC.

The contract with Heritage Cablevision (now TCI) was renewed, after lengthy review by this committee, and approval by the Board of Selectmen and Town Counsel.

There are now over 1700 cable subscribers in town and the complaints have been few and far between.

There is presently a vacancy on the CAC, which is open to any town resident who wishes to serve.

The meetings are still held on the 3rd Thursday of the month at 7PM in the Town Hall. A cable representative attends each meeting, which affords a golden opportunity to have any questions answered, first hand; so come and visit with us.

Respectfully submitted,

Donald McAlpine, Chairman  
Bruce Bumpus  
Ron Dix  
Dorothy Rose

Town of Plainville  
142 South Street  
Plainville, Massachusetts

Re: Annual Town Report

Dear Sir:

As you well know, this report will be the last Annual Town Report that I submit as the chief of police as I am retiring.

I have labored over its form and content and decided to reflect on some highlights of these last seventeen years and make a few comments.

Not all of my accomplishments have been understood, accepted and in some case recognized but I assure you that I tried my very best to upgrade this department so that it could cope with a complex and evolving society. I have tried earnestly to manage the department with fiscal responsibility and yet meet the needs of the community and the employees of this department.

The first tensile test of the viability and strength of this department was in the Blizzard of 1978. This newly developing department of varying personalities and levels of experience was confronted with its first "State of Emergency". Once these conditions were declared by the Board of Selectmen, a state of martial law can be imposed to preserve order and most paramount the lives of the citizens of this community. This department chose an approach contrary to the rigidity of martial law and accomplished our mission by expanding our service levels beyond those of the traditional police roles. This approach was very successful and effective. There were no arrests made and we truly served the people. I will long remember this experience as I was very apprehensive. As the magnitude of the storm was being defined, I began to look inside myself to question if I had the ability to envision all of the possible scenarios and issues that I would have to confront and, above all, that at age thirty six I was ultimately responsible for the lives and safety of all of the citizens of this community and whatever decisions I rendered would greatly impact those citizens and the employees of this department. That experience and its impact has influenced every decision I have made since and under the electricity of the time, this department grew and truly served its community with honor and distinction.

There have been numerous other incidents over the years that have had a major impact on the basic "quality of life" of the majority of the citizens of Plainville, like the infamous "gas shortage" and its associated, highly charged "gas lines". Again, the members of this department met the challenge and dealt with the chaos and heightened anxiety of the citizens with concern, understanding and effectiveness.

This department, in spite of its mission or perceived objective, has compassion and on numerous occasions has reached out beyond the normal "police role" and served the people who have called upon the members of this department for assistance.

That assistance was provided not for political or self-serving reasons but simply because someone reached out and needed help. This level of concern and sensitivity is remnant of the old "beat cop" style of law enforcement services. This concept has been evaluated by law enforcement management scholars as being to costly. But, is now being reexamined for its effectiveness and the sense of security that it provides to the public.

To observe the children in front of the Wood Elementary School interacting with the officer assigned to traffic duties represents to me and others the special relationship the "beat cop" had with the people he/she served.

It would be inappropriate not to reflect on the many Boards of Selectmen under which I have served. To some members I was not looked upon with favor. Because my office was an annual appointment of the Board of Selectmen, there were years that I did not think I would ever reach an eligibility for retirement as a chief of police. Although this might cause a person in my position to react with a negative response, it ultimately aided in my growth as a department head.

One of the members who served for a period of a decade was consistently aggressive toward my appointment as a department head and highly critical of my management of the police department. This individual was forthright in his criticism and comments. In later years, after leaving the Board of Selectmen, he offered me an unsolicited apology and stated that he had misjudged me, and offered an explanation for his position that he freely admitted was flawed. Although I was somewhat stunned by the revelation, I informed him that he, unknowingly, was responsible for a significant portion of my growth as a department head as he caused me to work harder to overcome his criticism and to gain his confidence. I leave this office with no malice towards this individual but with great respect and a debt of gratitude to him because he became the driving force that caused me to hone my budgeting and management skills some of which I am very proud of today.

When an individual is appointed to a position of this magnitude and uniqueness, it takes longevity to acquire the full scope of knowledge necessary to be minimally successful and effective in this role. Through this maturation process, the department head acquires a significant amount of valuable historical knowledge and understanding of the operation of municipal government. Because of the natural liquidity of municipal government, the department head unknowingly assumes the role of a teacher, in that he/she must provide guidance to newly elected and appointed officials on various operational, fiscal and managerial issues, yet on occasion there is little recognition of this pool of knowledge. It is not uncommon for a newly elected or appointed official to assume his/her elected role with little or erroneous knowledge of the depth of the town's fiscal or managerial dilemma or have his/her own agenda and purpose for being elected or appointed.

For various reasons the Town of Plainville is primarily governed by part-time boards and commissions. This form of government superficially appears to be cost effective, which is contrary to its realistic effects. Many a newly elected official including Selectmen and Finance Committee members have arrived to find that there are no Personnel Managers, Purchasing Agents, etc. as in business or industry. They are also shocked at the lack of management systems that are normally expected to be in place. This void must be filled by the department heads who must conceptualize, design and implement a system and then find a lack of recognition for their efforts.

Because there is a failure to recognize what is required to operate a municipal corporation that disburses eight million dollars annually, there needs to be a change in the manner in which we conduct our business. We need to begin to gravitate toward a full-time "Town Manager" form of government, certainly with the checks and balances of a Board of Selectmen.

The Town must bring the future into focus and begin planning and forecasting now so that we are better able to address the serious if not critical fiscal issues that face us in the near future.

We have to break away from cyclical planning which is equivalent to fifty two weeks and begin to look three to five years ahead to avoid those "land mines" that have been pushed away year after year because of a short-sighted fiscal philosophy or vision. There has been a long standing fiscal tenet in the Town of Plainville that "if we have more money, they will spend it".

This position was tolerable prior to the "Abolition of Sovereign Immunity" in 1978. This long standing legal principle shielded the municipal government for wrong acts or omission, thus giving birth to the phrase "we never had to worry about that before" or "if it isn't broke, you do not need it". The fall of this principal required all facets of municipal government to get into the risk management business.

The failure of a municipal government to recognize the potential of risk management will certainly experience the weight of its folly and exposure in this highly charged litigious society that we live in.

As society becomes more complex so does the business or government that serve that society. The changes in legislative and legal mandates alone increase the operational cost of every facet of municipal government, from schools to the manner in which we dispose of waste.

First and foremost a department head has an obligation and charge to constantly improve his/her operation so as to synchronize their agency's response to the changes in social and legal norms and mandates. A department head would come under sharp criticism if he or she was content with maintaining the status quo in their respective department, sometimes that enthusiasm to improve a department operation is perceived as "empire building" instead of its true purpose of providing the best service delivery system.

Every commodity in our society from orange juice to babies diapers is allowed to pass off cost when there is a significant impact on the cost of providing the product. In order to meet the fiscal obligations that we will be confronted with in the future, we must begin planning and forecasting those needs now and divorce our traditional crisis management approach. The fiscal crisis that we are confronted with today was based on the combination of fiscal decisions that we made years ago and unexpected increases in fixed cost.

The journey at times has been turbulent, but with the encouragement and support of my wife Kathy, I was able to "turn into the wind" and get back on course. She has tolerated my late hours at the office and countless missed family events with patience and understanding, and never voiced a cross word over my enthusiasm for my job. I will forever be in her debt for this understanding, as it afforded me an opportunity to grow in my profession. I would also like to thank our children who, like their mother, understood my absences and commitment.

I would also like to express my appreciation to all the Town officials who have tolerated my "occasional" rigid positions on the department's budget over the years, and hope that they understood my sincere desire to provide the best service possible to the Town.

I would like to offer my sincere appreciation to the men and women of this department who have over the years made me very proud.

Finally, I wish to thank the citizens of this community, who allowed me the distinct honor and privilege to have served them, and hopefully any future historical assessment of my stewardship will indicate that I made mistakes but tried with all my heart to be the best.

Respectfully  
  
Walter Sandland  
Chief of Police

To the Honorable Board of Selectmen:

Submitted herewith is the report of the Veteran's Agent for the Town of Plainville for the period July 1, 1992 to June 30, 1993. All applications for Veterans' services during this period were approved by the State Commissioner of Veterans' services.

Seventy-five percent of all monies paid by the Town of Plainville will be reimbursed by the Commonwealth of Massachusetts.

Approximately 178 requests for Veterans information were received during this period.

Respectfully submitted,

  
Donald C. Soule  
Veteran's Agent

## PLAINVILLE

### REPORT TO THE TOWN OF PLAINVILLE FROM THE COMMISSIONERS OF THE SOUTHEASTERN REGIONAL PLANNING AND ECONOMIC DEVELOPMENT DISTRICT

The Southeastern Regional Planning and Economic Development District continued to serve the Town of Plainville during 1992. SRPEDD (pronounced sir-ped) is a locally run regional agency serving southeastern Massachusetts.

It continues to be a difficult period for local government in Massachusetts, with the fiscal crisis and the economic recession providing double trouble for the region. We spent a considerable part of 1992 on these two issues, working on regional approaches to both problems.

During the past year, the Town of Plainville was represented on the SRPEDD Commission by Mark Coleman for the Board of Selectmen and John Adams and Mark O'Neil for the Planning Board. The Joint Transportation Planning Group representative was Ronald Fredrickson.

Some of SRPEDD's more significant accomplishments in 1992 were:

- Completion and certification of the annual Transportation Improvement Program (TIP) and Overall Economic Development Program (OEDP) which set regional priorities on federal and state grants for transportation and economic development projects.
- Staffing of the South Eastern Economic Development (SEED) Corporation, which makes loans to small businesses for expansion. In 1992, SEED approved loans to 15 small businesses in the amount \$2 million. These loans are projected to create 87 new jobs and will result in the investment of over \$3.5 million from private sources.
- SRPEDD reviewed the environmental impact of larger development projects in the region to insure that potential harmful impacts will be addressed. This year, we reviewed 28 such projects, commenting on the impact on traffic, water supply, sewage disposal, wetlands, and other development-related issues.
- 13 applications for federal and state funds were reviewed to insure consistency with other plans and efficient use of public funds.
- SRPEDD conducts a district-wide traffic counting program and maintains a computer file of all available traffic count data for the period 1980 to the present throughout the region.
- SRPEDD worked with both GATRA and SRTA on issues such as route evaluations, marketing, service to elderly and handicapped persons and overall data compilation and analysis.

- SRPEDD continues to provide computerized accident filing for 13 towns and has provided pavement management assistance to 6 towns.
- Under contract to Boston Edison, SRPEDD organized the third Earthlab Conference held at Bridgewater State College in November.
- SRPEDD organized a regional economic development coordinating effort in Bristol & Plymouth Counties called the Massasoit Compact.
- SRPEDD participates actively with the Buzzards Bay Project in the multi-agency effort to clean up and preserve Buzzards Bay.
- SRPEDD set up a new Data Center to coordinate information gathering and dissemination to the public. Its first task was to update the Southeastern Massachusetts Fact Book, which contains data on all aspects of the region.
- After an absence of several years, the municipal assistance program was resumed in 1992. The principal activities are a reference library of municipal zoning and land use regulations, a catalogue of state grant programs and a municipal advice workshop to be held in the spring 1993.
- SRPEDD worked with the Massachusetts Office of Technical Assistance (OTA) to establish a Southeastern Massachusetts Source Reduction Advisory Committee. This committee is made up of representatives from fifteen local businesses and three Chambers of Commerce and will address industrial use and production of hazardous materials in the manufacturing process.
- SRPEDD is undertaking the development of a regional multi-modal transportation plan which is mandated by the federal Intermodal Surface Transportation Efficiency Act (ISTEA).
- Under development is a regionwide travel demand model which will simulate traffic conditions into the 21st century.
- SRPEDD obtained in 1992 a Geographic Information System which greatly enhances our ability to manipulate data and produce thematic maps.
- SRPEDD started a project to assist thirteen towns to develop an economic development strategy. The project will examine current economic conditions, attitudes towards business, local zoning and land use regulations, and development policies.

We look forward to serving in 1993.

COMMUNITY VISITING NURSE AGENCY, INC.  
141 PARK STREET  
ATTLEBORO, MASSACHUSETTS 02703

Services provided to the Plainville Board of Health included health screenings and health promotion as well as the investigation and follow-up of communicable disease. The Agency conducted flu clinics, cholesterol screening clinics, and clinics for health guidance to senior citizens.

The Agency also provided immunizations against communicable disease as well as mantoux testing for the detection of tuberculosis.

Self Help, Inc., is greater Brockton's and Attleboro's anti-poverty agency dedicated to improving the quality of life of limited-income individuals and families, and making all segments of the community responsive to the needs of the limited-income, disadvantaged and minority.

During the program year ending September 30, 1992, Self Help received a total funding of approximately \$9.4M and provided direct services to 42,641 limited-income households in the area.

496 PLAINVILLE households received direct services totaling \$ 60,589 during the program year 1992.

**Attleboro Site**

# THE SOUTH NORFOLK COUNTY ASSOCIATION FOR RETARDED CITIZENS, INC.

The South Norfolk County Association for Retarded Citizens ("SNCARC") provides and supports services to citizens of Plainville who are mentally retarded. The Association is a non-profit, membership-based organization of more than 500 members, governed by family members of those we serve, including Plainville residents who serve on the Board of Directors.

The Association's work is grounded in its Mission Statement:

**"The Association is committed to securing for all people with mental retardation the opportunity to choose where and how they learn, live, work and play. This commitment is further extended to reducing the incidence and limiting the consequence of mental retardation through education, research, advocacy and the support of families, friends and community."**

There are six types of programs:

1. Vocational Training through Lifeworks Employment Services in Norwood, serving Plainville residents
2. Lifeworks Day Habilitation and NCE Pre-vocational program in Norwood, serving Plainville residents
3. Community Residential Facilities in neighboring towns, serving Plainville residents
4. Family Support/Advocacy to all Plainville families who request
5. Social-Recreational and Special Olympics, including the Plainville Teen Club
6. Respite Care in Plainville families' homes, on weekends, and summer camp for Plainville children

Plainville residents desiring these services for their family member with mental retardation or other developmental disability should contact the South Norfolk County Association for Retarded Citizens at (508) 359-5546, or (617) 762-4001. The Association welcomes visits from interested persons to its community-based programs.

Thomas F. Doherty, Ph.D.  
Executive Director

Henry S. Goodhue  
Dir. of Finance

NORFOLK MENTAL HEALTH ASSOCIATION, INC.

886 Washington Street  
Norwood, Ma. 02062

The Norfolk Mental Health Association is a private non-profit corporation governed by a citizen Board of Directors who represent each of the twelve towns in its service area: Canton, Dedham, Foxboro, Medfield, Millis, Norfolk, Norwood, Plainville, Sharon, Walpole, Westwood and Wrentham.

The major programs of the Norfolk Mental Health Association available to Plainville residents are:

CUTLER COUNSELING CENTER has a fully licensed staff of social workers, psychologists and psychiatrists bringing together a rich variety of skills and experience to provide a wide range of services to children, adolescents, and adults of all ages. In order to be most responsive to individual needs and community concerns, Cutler Center is organized into specialized programs offering services in the following areas: Intake and Emergency; Family and Children; Alcohol and Substance Abuse; Chronic Care; Psychiatry; Adult; Senior Care; Psychological Testing; Assertiveness Training; Separation and Divorce; and Families of Substance Abusers. In the Alcohol and Substance Abuse Program, a significant affiliation has been forged with NORCAP Center providing a most comprehensive approach to the treatment of substance abuse. Each program offers specialized groups and services, such as the Parent-Toddler Program, an educational and supportive experience for parents and their children from birth to age 3; and the Gym Program, a unique blend of counseling and physical activity for children between the ages of 5 and 15.

Other Programs include the Widowed Lifeline offering comfort, understanding, and friendship to men and women at any stage of widowhood; Project HIRE, a sheltered vocational rehabilitation facility for people with emotional, developmental or physical handicaps. Programs include diagnostic evaluations, electronic skill training, work adjustment training and counseling, sheltered, long-term employment, and transitional employment and job placement; Parent-Aide Program, offering trained and supervised volunteer aides who provide one-to-one help to clients in the community, families and individuals in crisis, victims of domestic violence, and parents at risk of abusing and neglecting their children; Community Education Programs: The staff of Cutler Center is available to provide talks, workshops and consultation on a wide variety of mental

health related topics. These services are available to community agencies, civic organizations, business and industry, schools and the court system. In addition, community education programs on such topics as stress management, assertiveness training and clinical issues are held periodically throughout the year.

Cutler Counseling Center currently has offices in Norwood and Wrentham with the Wrentham office providing the full range of services offered by the Norwood Office.

During Fiscal Year 1992, Cutler Counseling Center provided direct services to approximately 58 people from Plainville. The direct value of these services was \$32,318 of which the town of Plainville allocated \$4,626.

In the past year, people from Plainville who came to us for assistance were often referred by friends, neighbors, family, clergy, school, physicians, or community agencies. The most common requests for help concerned such problems as depression and anxiety, difficulties in marriage or family relations, school or behavior-related problems, and acute or chronic mental illness.

**NORFOLK COUNTY MOSQUITO CONTROL PROJECT**

**1992 REPORT OF THE NORFOLK COUNTY MOSQUITO CONTROL PROJECT**

The Operational Project Program integrates all proven technologies into a system of mosquito control that is rational, safe, effective, and economically feasible.

All mosquito eggs need water to hatch to sustain larval growth.

**Source Reduction Work:** Our primary efforts are concentrated on the drainage of shallow, standing, stagnant water, and the maintenance of existing flow systems which contribute to mosquito breeding sources.

**Drainage Ditches Cleaned**

**3,720 feet**

**Larviciding:** Treatment of mosquito larvae during aquatic development is the next most effective control effort.

Larvicide by backpack\briquets\mistblowers  
Catch basin larvicide application

**81 acres**  
**328 count**

**Adulticiding:** The suppression of flying adult mosquitoes becomes necessary when they are numerous, annoying, or threatening to residents.

**Adulticide U.L.V. from trucks**

**512 acres**

Surveys, inspections, and monitoring in support of our program include locating and mapping breeding areas, larval and adult collections, and field work evaluations leading to better drainage.

The Project received 17 calls from residents for information and assistance.

Respectfully submitted,

John J. Smith, Superintendent

## TOWN DEPARTMENT TELEPHONE NUMBERS

When calling into the Town Office you will be greeted by a recording explaining how to operate the phone system. In order to use this system you must have a TOUCH-TONE PHONE not just a push button phone. If you have a rotary phone you must wait for the whole recording to finish and you will be connected to the operator who can connect you to the appropriate department. For those that have a TOUCH-TONE PHONE, you would press 1 then the extension number that you want.
